## Accommodation Options near the Warwick Airfield

Those course participants that would like clean, renovated, air-conditioned but economical accommodation near Warwick Airfield we recommend the Commercial Hotel in Allora Queensland (14km from the airfield).

We have arranged a special price for course participants... \$40.00 including a basic breakfast.

To secure this price you must mention Kelvin Hutchinson and the flying school.

The proprietor is Robyn Myles. Best contact number **07 46663402**.

You check in and eat at the Railway Hotel down the road (Robyn owns both hotels). Walking distance.

Alternatively, there are a number of Motels in Warwick (12km from the airfield). For details go to [wotif.com.au](http://wotif.com.au)

There is a IGA supermarket nearby in Allora. Most course participants buy lunch ingredients and keep them in the fridge at the airfield.
